

California Air Resources Board
Executive Order D-215-14
For Edelbrock Performer 5.0 Camshaft Part # 3722

Performer 5.0 camshaft for 1986-1993 5.0L Ford V8 engines, Edelbrock Part #3722 has been found not to reduce the effectiveness of required motor vehicle pollution control devices, and therefore are exempt under California Vehicle Section 27156 permitting the advertising, sale and installation of this part for the 1986-1993 Ford V8 engines.

It is suggested that you retain this notice in the glove compartment and attach the enclosed certification tag in your engine compartment when using this Edelbrock Camshaft. If necessary, this information should be presented to your Smog Inspection station at the time of next biennial Smog Check.
